HATBORO HIGH SCHOOL

HATBORO

PENNSYLVANIA

ALMA MATER

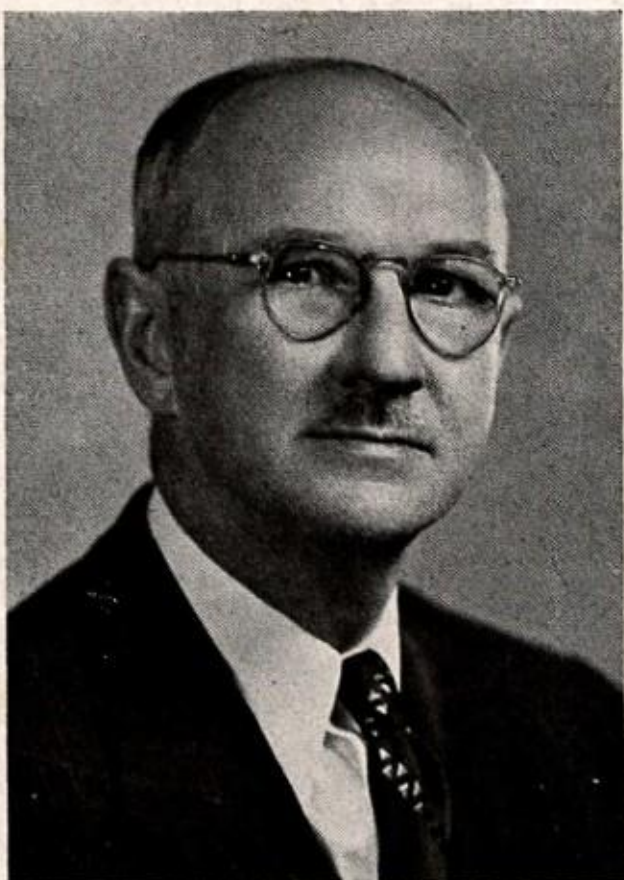

CHARLES S. JONES

Sitting behind a desk in the front office is a man well-known to all the students of Hatboro High School. To us he has been more than a teacher. We are proud to call him our "friend," because of his faith in the Class of '47. Through his efforts we have been encouraged to reach for many new goals and to keep striving until we have attained them.

The Senior Class is happy and honored to dedicate its yearbook, "Hy-Hatter," to Mr. Charles S. Jones, whose endeavors to lead us in sportsmanship and school spirit have justified our pride in being graduates of Hatboro High School.

The traditional Thanksgiving Dance, given by the Juniors, was a "whopping" success. To add to their social activities, the Juniors presented their play, "Dizzy and Daffy," in late February. They brought a successful year to an end by entertaining the Seniors at the annual Prom. An enjoyable evening was had by all.

At the beginning of the school term the Sophomores gave the Freshmen a gala reception to welcome them into Hatboro High. Later on in the year they held a skating party at Willow Grove and every one had fun, including those who met the floor. Additional activities of the Sophomores were the "Spring Hop" and a skating party at Willow Grove.

FRESHMEN

Sponsors, MISS HAMEL, DR. SPONSELLER, AND MR. LYNAUGH

The Freshmen have been supporting all the social functions of the school and are anticipating their Sophomore year. All have agreed that the reception given by the Sophomores was a lot of fun.

EIGHTH GRADE

The eighth grade, under the guidance of Mr. Fay and Mr. Smith, surpassed all previous records by winning the ticket sales at Thanksgiving. The boys and girls showed their athletic ability by playing on undefeated football and hockey teams. Who knows, maybe they will be the champions of the future.

SEVENTH GRADE

After wandering around the buildings of the high school in a state of bewilderment for several weeks, the seventh graders finally settled down and made themselves known. Under the direction of Miss Reig and Mr. Smith, they took part in all the activities of the school.

ACTIVITIES

National Honor Society

Membership in the National Honor Society, an organization of honor students, is the highest honor to be conferred upon an individual of any high school. Admission to membership in this society is considered a real accomplishment and is a worthy goal for any student.

This society is maintained for the purpose of promoting scholarship, character, service, and leadership. Selection for membership is based upon these four qualities, with a "B" average as a prerequisite to the consideration of the other three. Those selected to receive this honor may be justly proud.

Since the philosophy of Hatboro High is based on democratic principles, it seems only natural that there should be some form of student government. The Student Association, which is composed of all the members of the school, is such an organization. Its executive group is the Student Council.

Representatives are elected from each home room. The president and vice-president are elected by a majority vote of the student body. From the council itself the representatives choose a secretary and treasurer.

The aims of the council are to sponsor activities in which the students can take an active part, to carry on various campaigns throughout the year, and to express the ideas of the students themselves.

Meetings are held once each week. At this time suggestions are made and it is the duty of the representatives to carry these suggestions back to their homerooms. Through this means the students are given a chance to experience the way a democracy runs.

DANCES

The annual Thanksgiving Dance, given by the Juniors, was the first big dance of the school year. Music was provided by the "Harmony Kings." A majority of the students of the school "filled the gym to the roof" in celebration of our startling 25-0 win over Upper Moreland in the annual Turkey Day Game.

Another important dance, which the Seniors always patronize, is the Sophomore Hop. It is presented by the Sophomores in the spring of the year.

Most of the dancing, this year, has been done at Hat Rack and at noontime in the auditorium.

Although winning only three games, the Varsity Hockey season proved to be very successful. Only one game was lost by a margin of more than one point. The team also was proud to be the only team to beat Jenkintown this year.

The team was coached by Miss Jeanne B. Irwin. The girls give a great deal of credit to her for the success of the team. Yea, Professor!!

Only a few boys from last year's team responded to the call for candidates for spring practice; however, it was encouraging to see so many new fellows respond. We believe, under the efforts of our new coach, Mr. Lynaugh, Hatboro High School will again give a good account of itself on the diamond.

CHEERLEADERS

Lead by head cheerleader, Ann Keeble, the cheerleaders have done outstanding work this year. Jean Burnett, June Gernet, Marylois Kennedy, Joyce Gehris, Marilyn Maure, and Jackie Rogers, aided by Victor Fritts, Ben Schuyler, and Ronnie Morris, have added peppy cheers and cooperative spirit to all of the athletic events. Their loyal efforts have done much to unite the student body in its support of the school athletic teams.

*For the Red and Black,
They are always hep,
With their hearty cheers
Keeping up our pep.*

*So they cheer us on
Both in spring and fall,
And we really think
They are on the ball.*

MUSIC

BAND

<i>President</i>	BARBARA JANE SHOEMAKER
<i>Vice-President</i>	WILLIAM SMITH
<i>Secretary</i>	RUTH KNIPE
<i>Treasurer</i>	ALMA CORSON

Perhaps more than any other organization at Hatboro High School, the band plays an important role in the activities throughout the year. It adds color, music, and hearty cheers to the football games and, on occasion, to the basketball games.

This year the band members were able to strut even more proudly after the arrival of their snappy new uniforms. They certainly strutted, too—right back home with a hundred dollar prize. They won this honor at the Veteran's Parade in Willow Grove.

Under the direction of Mr. Manderville Bartle, the band has made many new formations, and its playing has been tops. Several of the members were sent to the District Music Festival at Norristown.

The musical climax to the school year is the Spring Concert. The band never fails to give a grand performance.

ORCHESTRA

Many times we seem to forget that the orchestra is part of the music department. Perhaps this is because the music it renders has more of the symphonic and classical touch.

The musical background for the Junior and Senior plays is supplied by the orchestra. It also plays for the Memorial Day Service, Baccalaureate Service, and Class Day. Memories of marching down the aisle to the melodious and sentimental strains of "Pomp and Circumstance" are remembered long after commencement.

The orchestra, which is also under the direction of Mr. Manderville Bartle, plays a very important part in the Spring Concert.

Many of the members of the orchestra were given tickets to attend Concerts by the Philadelphia Orchestra at the Academy of Music, and also the Youth Concerts. These tickets were greatly appreciated by those who had the privilege of attending the concerts.

GIRLS' GLEE CLUB

OFFICERS

<i>President</i>	MARY BETH BECHTEL
<i>Vice-President</i>	MARJORIE BAILEY
<i>Secretary-Treasurer</i>	NELLY STELLANDER

The Girls' Glee Club, under the direction of Miss Hester Fleck, provides vocal music for many school activities. The season starts with the Candle-light Service at Christmas. At this service old familiar carols are sung, as well as special Christmas numbers. Perhaps the most impressive carol is "O Holy Night," which was sung by Phyllis DeGray this year.

In the spring, the girls also perform at the concert given by the music department. Beautiful gowns and blending of voices provide a thrill for all who attend.

The Baccalaureate Service is the last program for the year. At this time the Girls' Glee Club acts as the choir, and renders the anthem for the departing Seniors.

DANCE BAND

President MARY BETH BETCHEL

Vice-President WILLIAM SMITH

For the tempo of the fox trot, waltz, or "boogie-woogie," just listen to the band that makes your feet take wings. Yes, the dance band can really "beat it out."

The dance band, under the direction of Mr. Manderville Bartle, supplies the music for dancing at Hat Rack and for the dances after basketball games.

HATBORO WINS AGAIN!

The "quiz kids" from Hatboro High School met the "quiz kids" from Upper Moreland High School on the "Sealtest Campus Quiz" program, and handed them an eighty to forty defeat. Because of the fine work that these so called "brains" did, our school was awarded a jukebox.

Representing Hatboro High were Cora Ford, Ray Cole, and Norman Wilson. Nice work "quiz kids!"

THERE IS NO SUBSTITUTE *for* EXPERIENCE

It cannot be dispensed with . . . or substituted for. . . . It should be of first consideration in every important undertaking. . . . We mean experience . . . the specialized experience such as we offer in the field of School Annual photography. . . . That is why year after year, we have been honored by being chosen Official Yearbook Photographer by many leading Schools and Colleges. . . . Getting out a Yearbook is a once-in-a-lifetime undertaking. . . . It is therefore good to know that there is available to you all the experience that is necessary to meet this unusual emergency. . . . You'll find our organization skilled and resourceful . . . our facilities and resources ample to meet every problem connected with Yearbook Photography.
